BEYOND THE YELLOW RIBBON CERTIFIED WORKPLACE
In an ongoing effort to support and recognize those who serve our country, Mall of America is a certified Beyond the Yellow Ribbon Company. To achieve the proclamation, Mall of America provides ongoing support through its human resources, community and employee outreach departments as well as training and development programs for employees who are service members and veterans, as well as their families.
MALL OF AMERICA HAS THE LARGEST TRAINED PRIVATE SECURITY FORCE IN THE NATION. Our security officers undergo more than 400 hours of training in safety, guest relations, emergency operations, Krav Maga and Verbal defense and influence training. In addition to security officers, the security department utilizes bike patrol, a special operations plain clothes unit and a K-9 program.

ON AVERAGE, EACH YEAR MALL OF AMERICA SECURITY:
- Receives more than 130,000 calls for services
- Reunites more than 2,400 lost children with their families
- Responds to more than 1,100 medical emergencies
- Helps visitors locate approximately 1,200 “lost” vehicles
- Receives 55,000 training hours
- Manages and trains 15 single purpose explosive detection canines
- Employs more than 150 personnel who go through approximately three months of extensive training prior to working out in the Mall.

BLOOMINGTON POLICE DEPARTMENT
Additionally, Mall of America houses two on-site stations for the Bloomington Police Department. Bloomington police officers work hand-in-hand with retailers to prevent retail crime. The Mall management and security departments work closely with the Bloomington Police Department on training and other issues.
Mall of America® Guest Services goes far beyond the doors of MOA®. Social Media Community Specialists monitor every MOA® digital platform, including social media channels and text messaging software to ensure visitors get the answers they’re looking for—from parking updates and store locations to event times and dining recommendations.

**CONNECT WITH MALL OF AMERICA:**

**ENHANCED SERVICE PORTAL (ESP):**

Mall of America opened a first-of-its-kind communication hub, Enhanced Service Portal (ESP) in 2013. The portal integrates social media, digital media, security and telecom (phone operators) to streamline guest service and tenant response.

Team members use social media, SMS texting, phone, email and in-person channels to track conversations, answer questions and keep an eye on trends to better serve and communicate with guests.

Mall of America also encourages guests to reach out with questions over social media + text message. This includes parking reminders, which has contributed to a 25 percent decrease in security vehicle locate calls.
